Copy of a Report of the Honourable the Executive Council, approved by His Honour the Lieutenant-Governor on the 20th day of August, 1897.

THE Committee of Council has had under consideration the petition of the New Fraser River Gold Mines, Limited (Foreign), praying for relief from a possible forfeiture arising under the following circumstances:—

The petitioners, who are holders of a Free Miner's Certificate No. 6,076A, issued at New Westminster for one year from the 30th June, 1897, and are also the holders of two dredging licences on the Fraser River in connection with which they have expended large sums of money for development work, did on or about the 17th day of July, 1897, with the consent of the Gold Commissioner, acquire, at a cost of \$8,000, by assignment, two certain leases granted under the "Placer Mining Act, 1891," the one being dated the 24th November, 1893, and made between Frederick Soues, Gold Commissioner, acting on behalf of Her Majesty, as lessor, and George B. Guthrie and James Scott, as lessees, and being a demise of a certain parcel of land on the lower end of Saw-Mill Flat for the term of 15 years, and the other being dated the 7th day of March, 1894, and made between G. C. Tnnstall, Gold Commissioner, acting on behalf of Her Majesty, as lessor, and Trail Lyal, as lessee, and being a demise of a parcel of land on the Fraser River, about 18 miles from Lytton, for the term of 20 years.

Subsequent to such assignments questions arose as to whether the original lessees and subsequent assignees had at all times during their respective holdings of the said demised premises been the possessors of Free Miner's Certificates. From enquiries made on behalf of the petitioners it appears in the case of the first mentioned lease, Free Miner's Licences were issued to J. B. Guthrie on the 17th April, 1893, 5th May, 1894, 4th May, 1895, and 6th May, 1896, and to the other lessee, James Scott, on the 13th April, 1893, 27th May, 1895, and 8th April, 1897; that Walter Pears, to whom said lease was duly assigned by the said lessees on 15th May, 1895, was the holder of a certificate issued on the 4th December, 1895, at New Westminster, and that the Fraser River Gold Mines, Limited, a Foreign Company not registered in this Province, to whom the said lease was assigned by the said Walter Pears on the 17th December, 1895, and the liquidator whereof was the vender to the peti-

tioners, were the holders of a Free Miner's Certificate dated the 29th November, 1895. And in the case of the secondly mentioned lease the original lessee, Trail Lyal, was the holder of the following:—Free Miner's Certificate No. 40,686, the date and place of issue whereof is unknown, and No. 55,186, dated 25th October, 1894, and assigned the said lease to the aforesaid Walter Pears on the 15th May, 1895, by whom it was assigned on the 17th December, 1895, to the Fraser River Gold Mines, Limited, and by their liquidator to the petitioners.

The Minister of Mines, to whom the matter was referred, reports that the rentals of the said leases have all been duly paid; that no records adverse to the petitioners' interests, or the interests of their predecessors in title, have been made in either of the Mining Divisions in which the said properties, or either of them, are situate, and that the petitioners are ready and willing to pay their fees for the various Free Miner's Certificates which were not taken out, or not taken out in time, by their predecessors in title, and recommends that an Order in the following terms be made:—

That if the New Fraser River Gold Mines, Limited (Foreign), shall, within two weeks from the date of this Order, pay to the Recorder of the Mining Division in which the properties comprised in the leases mentioned in the petition are respectively situate the fee or fees for any Free Miner's Certificate or Certificates which ought to have been taken out or kept up by any of their predecessors in title, thereupon the title of the said Company to the said leases, and the term thereby respectively granted, shall be, and be deemed to be, as good and effectual as if the Fraser River Gold Mines, Limited, had been duly registered, and no default had ever been made.

The Committee concur in the report, and advise approval of the recommendation.

JAMES BAKER,
Clerk, Executive Council.

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by the preceding rule, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

55. The expenses and costs attending on Private Bills giving any exclusive privilege, or for any object of profit, or private, corporate, or individual advantage;

or for amending, extending, or enlarging any former Acts, in such manner as to confer additional powers, ought not to fall on the public; accordingly, the parties seeking to obtain a Private Bill shall pay the Clerk of the House the sum of one hundred dollars before the first reading thereof; and an additional sum of one hundred dollars immediately after the second reading thereof. And no such Bill shall be read a first time, or committed after second reading, until the fees payable on the first or second reading respectively are paid to the Clerk, and all such Bills shall be prepared by the parties applying for the same, and printed in small pica type, twenty-six ems by fifty ems, on good paper, in Imperial octavo form, each page when folded measuring 10 $\frac{3}{4}$ inches by 7 $\frac{1}{2}$ inches, and 100 copies thereof shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be re-printed by the promoters thereof.

Authority to act as Parliamentary Agent may be obtained on application to the Clerk of the House and upon payment of the sum of five dollars.

THORNTON FELL,

NOTICE is hereby given that in pursuance of the report from a Select Committee of the Legislative Assembly, appointed to revise and amend the Rules and Orders of the House, adopted on the 7th May, 1897, the said Rules and Orders have, in accordance with the recommendation of said report been amended by the Commission appointed thereunder by striking out Rules 57, 62, 63 and 65, and substituting therefor the following Rules, which shall apply to all Private Bills to be introduced at the next Session of the Legislature, of which all parties concerned are required to take notice and to govern themselves accordingly.

And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, together with the notices published. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

62. Petitions for Private Bills when received by the House are, with the certificate of the Law Clerk as to their being in compliance with the Rules, to which certificate shall be attached a copy of the published notice, to be taken into consideration (without special reference) by the Committee on Standing Orders, which is to report in each case whether the Rules with regard to notice have been complied with, and in every case where the notice shall prove to have been insufficient, either as regards the Petition as a whole or any matter therein, which ought to have been specially referred to in the notice, the Committee is to recommend to the House the course to be taken in consequence of such insufficiency of notice.

63. All Private Bills are introduced on Petition and presented to the House upon a motion for leave within three days after such Petition has been favourably reported on by the Committee on Standing Orders.

ROSSLAND CITY BY-LAWS.

BY-LAW No. 15.

A By-Law to provide for the first issue of debentures by the City of Rossland to the amount of \$50,000, for the purpose of borrowing money thereon for the following works of immediate public necessity, viz:

- (a.) *For street improvements.*
- (b.) *For a sewerage system.*
- (c.) *For fire protection.*

[Passed 15th September, 1897.]

WHEREAS by an Act passed by the Legislature of the Province of British Columbia in the sixtieth year of Her Majesty's Reign, and chaptered sixteen, entitled "An Act to accelerate the Incorporation of Towns and Cities," it was, amongst other things, enacted that it should be lawful for the Lieutenant-Governor of the Province of British Columbia in Council, by Letters Patent under the Public Seal, to incorporate into a City, under the heading of "The City of Rossland," the lands mentioned in the schedule to the said Act, being all and singular that piece or parcel of land situate, lying and being in Kootenay District, in the Province of British Columbia, upon the official map of the said District known as Sections 34 and 35, and the north half of Sections 26 and 27, in Township IXA., in the said District, bounded and described as follows :—Commencing at a point on the southern boundary of Township 28, District of Kootenay, said point being the intersection of Sections 3 and 4, Township 28, and Sections 33 and 34, Township IXA., Kootenay District; thence due south one hundred and twenty chains to a point; thence due east one hundred and sixty chains to a point; thence due north one hundred and twenty chains, more or less, to the said southern boundary of Township 28; thence due west along the southern boundary of Township 28 one hundred and sixty chains, more or less, to the point of commencement; containing altogether 1,920 acres, more or less :

And whereas in pursuance of the said Act the said the Lieutenant-Governor of the Province of British Columbia in Council has, by Letters Patent under the Public Seal, dated the 18th day of March, 1897, duly incorporated the said tract of land into the City of Rossland :

And whereas it was, amongst other things, further enacted by the said Act of the Legislature of British Columbia, sixty Victoria, chapter sixteen, that the Council of the Corporation of the said City of Rossland might at any time in the year 1897, and without submitting the same to the ratepayers, pass by-laws for contracting debts by borrowing money or otherwise, and for levying rates for the payment of such debts on the ratable lands or improvements, either or both, or the ratable real property of the Municipality, for any works of immediate necessity which are within the jurisdiction of the said Council; such debts, however, not to exceed in the whole the sum of \$50,000 :

And whereas no debts have been contracted or money borrowed upon the security of debentures or otherwise, for or on account of the said sum of \$50,000, so

permitted to be borrowed by the Council of the said Municipality under the said Act :

And whereas it is necessary to immediately proceed with the construction of street improvements and a sewerage system, and to purchase a fire protection system for the said City of Rossland :

And whereas it is desirable to raise by debentures, on the credit of the Corporation of the City of Rossland, and on the credit of all the ratable land and improvements and assessable property of every kind therein, and as a first charge thereon, the said sum of \$50,000, for the purpose of purchasing and constructing the said works and appliances aforesaid, together with interest thereon at six per cent. per annum for twenty years :

And whereas it will require the sum of \$3,000 to be raised annually for a period of twenty years, the currency of the debentures to be issued under and by virtue of this by-law, to pay the interest of the said debt, and the sum of \$1,679.08 to be raised annually during the same period for the forming of a sinking fund for the payment of the debt created by this by-law, making in all the sum of \$4,679.08 to be raised annually as aforesaid, to redeem the principal and interest of the said debentures :

Therefore the Municipal Council of the Corporation of the City of Rossland enacts as follows :—

I. It shall be lawful for the Mayor of the said Municipality to raise by way of loan, upon the security of the debentures hereinafter mentioned, from any person or persons, or body or bodies corporate, who may be willing to advance the same upon the credit of such debentures, such sum of money as he may be able to obtain therefor or thereon, and to cause the same to be paid into the hands of the Treasurer of the said City for the purposes and with the objects above recited.

II. It shall be lawful for the said Mayor to cause any number of debentures to be made for such sums of money as may be required, either in currency or sterling money, not less than one hundred dollars Canadian money or twenty pounds sterling each, and not exceeding in the whole \$50,000, for the purposes in the preceding section mentioned, and that the said debentures shall be sealed with the seal of the said Corporation, and be signed by the said Mayor and Treasurer.

III. The said debentures shall be made payable in twenty years from the 1st day of October, 1897, either in currency or sterling, in the Dominion of Canada, Great Britain or elsewhere, and shall have attached to them coupons for the payment of interest.

IV. The said debentures and interest coupons shall be a first charge upon all the assessable real estate and improvements of or within the Municipality, and shall be paid in priority to all debentures or debenture debts subsequently issued or created by the Municipality.

V. The said debentures shall bear interest at the rate of six per cent. per annum from the date thereof, which interest shall be payable half-yearly, on the first days of the months of April and October in each year, at the place where the said debentures are made payable as aforesaid.

VI. During twenty years, the currency of the debentures to be raised under the authority of this by-law, the sum of \$3,000 shall be raised annually for the payment of interest on said debentures, and the sum of \$1,679.08 shall be raised annually for the purpose of forming a sinking fund for the payment of the principal of the said loan of \$50,000 in twenty years, making in all the sum of \$4,679.08 to be raised annually as aforesaid, and that a special rate in the dollar upon the assessable value of all the ratable property, both real estate and improvements, in the City of Rossland over and above all other rates and taxes, and which special rate shall be sufficient to produce in each year the said sum of \$4,679.08, shall be annually levied and collected from the year one thousand eight hundred and ninety-eight to the year one thousand nine hundred and seventeen, both years inclusive.

VII. That the said sum of \$50,000, when obtained, shall be applied for the purposes above specified, and according to the true intent and meaning of this by-law.

VIII. It shall be lawful for the said Municipal Council to re-purchase any of the said debentures upon such terms as may be agreed upon with the legal holder or holders thereof, either at the time of sale or any subsequent time or times, and all debentures so re-purchased shall forthwith be cancelled and destroyed, and no re-issue of debentures shall be made in consequence of such re-purchase.

IX. This by-law shall take effect on, from and after the passing thereof.
